Marketing & Branding

Integrated Topper

High-Topper Option

TKM Option

ADA, EMV, PCI Compliant

WITH A STUNNING 15" COLOR, TOUCH SCREEN DISPLAY, A SLEEK modern design, integrated topper and optional high topper, the ARGO 15.0 is ideal for marketing and branding. Packed with the innovative features you've come to expect from Triton, the ARGO 15 is capable of performing contactless transactions via NFC.

## FLEXIBLE

One of the most flexible ATMs on the market, the ARGO 15 can be configured to hold up to 8,000 notes and has five different dispenser options. With a sleek, compact design, it can fit into tight spaces and be customized with a variety of communications, printer and lock options.

## SECURE

Running Triton Dynamic Language on the reliable Windows® Compact 7.0® platform, the ARGO 15 is ADA, EMV and PCI 3.1 compliant. Available with a UL291 business hours or Level 1 safe, the ultra-secure ARGO 15 features improved dispenser security, added PIN protection, a TKM and MACing option.

## BUY AMERICAN

For the past 30 years, Triton has set the standard for manufacturing innovative cash-dispensing solutions. Triton's affordable, high-quality ATMs are built in the United States, and are easy to upgrade and service. On average, less than one service call per year is logged, with most technical issues resolved by telephone.
